

Assistance League® of Saddleback Valley is a nonprofit volunteer organization that puts caring and commitment into action by providing services to children, families and the elderly in the Saddleback Valley communities.

“You will discover that you have two hands. One is for helping yourself, and the other is for helping others.”

Audrey Hepburn

Caring and Commitment in Action

Funding for our philanthropic programs is raised through a variety of activities as well as through grants and the generosity of private contributors. Donations are fully tax deductible through our 501(c)(3) corporation. All funds raised through ongoing fundraising events, as well as donations, stay within our community for the support and administration of programs.

Operation School Bell®

Benefits disadvantaged students in kindergarten through high school by providing new school clothing to promote improved self image. Studies show that children who come to school appropriately dressed can improve attendance and classroom performance.

My wife, grandson and I are very grateful and appreciative of the \$100 Target shopping spree that Ian was given for school clothes. I hope this coming year brings full-time employment for me so I can begin to give back to organizations such as yours.

*Thank you for your generosity,
Saddleback family*

Links to Learning

Grants funds to intermediate and high school teachers allowing them to purchase additional tools to enrich classroom learning as well as expand the existing curriculum with new innovative approaches.

Operation Camp Pendleton

Provides new school clothing to children of low income military families.
